AM SERMON NOTES

When our backs are against the wall, God comes to fight for us.

When we long for a simpler past, God calls us to trust in Him for a delivered future.

When we are anxious about the future, God leads us by His mighty hand.

Questions for application:

Can you think of a time God led you through what felt like an impossible situation?

What are some things that have made your life more difficult or complicated? Why can you trust God through them?

What is God calling you to do today that requires you to trust in Him?

Weekly challenge: Read Romans chapters 6-8 to remember your new identity because of Jesus' work of deliverance.
