

LIFE GROUP DISCUSSION GUIDE

“GOD’S PATIENCE TO SAVE”

The Story, Chapter 8 | Judges 4

Community Building Tip of the Month

How can you plan your summers to ensure you continue to do life together? Is there an activity you commit to, a project to do together, regular text and sharing prayer requests?

Questions for Discussion

1. Let’s talk about how we engage God’s Word throughout the week. How have you been impacted so far by our journey in the Story? Have you changed anything about your Bible reading habits through it?
2. This week we come into the story of the Judges. What kinds of people does God use as judges for Israel?
3. In Judges 4 God chooses Deborah to be the judge and Jael to kill the enemy commander. What does this tell you about God’s view of women?
4. Why does Israel tend to fall into the downward spiral of sin in the cycle? How does God show his grace through the cycle in Judges?
5. Let’s examine ourselves. What are the strongest temptations you face? How do you fight such temptations?
