AM Sermon Notes:

The church's job is to preach the gospel and make disciples

The church commits disciples to the Lord, trusting the Spirit

The stories of faith must be shared so the church can celebrate the work of God

Questions for Application:

Who or what did God use to help you grow as a disciple of Jesus?

Why is it important that the church has leaders and structures to help our discipleship?

How is God calling you to share your story or help others grow as disciples?
